Mr. Oldham,

Since serving our responses and objections and our cover letter explaining our client's position and the authority in support of it, we have not heard from you as to any disputes, follow up, or requests to meet and confer. Please let us know by the close of business today, Mountain Standard Time, whether your client's subpoena to our client is withdrawn in light of the objections and authority we served upon you or if it is something your client still intends to pursue.

Regards,

Jess M. Krannich
